

To our valued partners:

In response to national and statewide efforts to contain the spread of Coronavirus (COVID-19), all Maryland Department of Housing and Community Development employees will be teleworking effective Monday, March 16, and until further notice.

While we will not be in the office, our staff will be available via email and phone. Our regular response times may be affected but be assured that we are working diligently to minimize any impact upon our operations.

For more information on state actions related to COVID-19, visit governor.maryland.gov/coronavirus.

For health resources regarding COVID-19, including case counts and clinician guidance, Marylanders should visit health.maryland.gov/coronavirus.

Thank you.
