Directive 2018-21

TO: ALL PARTICIPATING LENDERS

SUBJECT: FREDDIE MAC ANNOUNCES INCREASE IN INCOME LIMITS FOR THE SPECIAL ASSISTANCE GRANT FOR INCOME SELECTED BORROWERS

Effective today Freddie Mac is increasing income limits in 22 counties and Baltimore City for the **Special Assistance Grant** to assist income selected homebuyers with down payment assistance and closing costs while purchasing a home. The only decrease in the income limit is for Washington County. Please refer to the previously issued Directive 2018-14 for the terms and conditions of the program opened initially on 5/21/18:

<http://mmp.maryland.gov/Lenders/Directives/Directive2018-14.pdf>

As a reminder, this initiative for Conventional mortgages uses Freddie Mac's HFA Advantage and provides an outright grant of \$2,500.00 for borrowers with income not exceeding 50% of Area Median Income (AMI) OR \$1,500.00 for borrowers above 50% and not exceeding 80% of the AMI as detailed on page 2 of this directive. As a reminder, this product is an add-on to our existing programs, quoting the same rates but using different product codes. The fact sheet is on our website and can be accessed at:

<http://mmp.maryland.gov/Lenders/Documents/FactSheets/Special-Assistance-Grant.pdf>

As always, we appreciate your continued participation in our programs.

If you have any questions concerning this directive or suggestions for improvements, please email **singlefamilyhousing.dhcd@maryland.gov**.

Sincerely,

Karl Metzgar
