Who Administers the Maryland Mortgage Program?

The Maryland Mortgage Program is provided by the Maryland Department of Housing and Community Development (DHCD). The agency’s Division of Development Finance, also known as the Community Development Administration (CDA), is the state’s Housing Finance Agency, a state-chartered authority that helps meet the affordable housing needs of the residents of Maryland.

What is the Maryland Mortgage Program?

The Maryland Mortgage Program (MMP) provides 30-year fixed-rate home loans to eligible homebuyers purchasing in Maryland. Loan terms are competitive with other home loan products on the market, but what makes MMP unique is the range of associated financial incentives and other assistance that, for many homebuyers, means the difference between being able to purchase and continuing to rent.
Program Terms & Definitions

A First Time Homebuyer

- Hasn’t owned a home ANYWHERE in the last three years; or
- Is purchasing in a Targeted Area; or
- Is a veteran using their exemption or the first time

This is not the same definition used for determining recording tax!

Homebuyers using the First Time Advantage product line must be first-time homebuyers. Even if the borrower does not have to be a first-time homebuyer, they still may not own a residence at the time of closing.

Property must be “Owner Occupied” and may not be an investment property, second home or have non-occupant co-signers.

Debt-to-Income Ratio (DTI)

DTI ratio is calculated by dividing monthly debt payments by monthly gross income. The ratio is expressed as a percentage, and lenders use it to determine how well a borrower manages monthly debts - and if the loan is affordable. The maximum DTI for Maryland Mortgage Program loans is 50% for Conventional loans and 45% for most other loans, although some specific loan products have a more restrictive limit and other factors (including credit score) matter. The lender can check this specifically for each product on the individual fact sheets. There are no exceptions to the established DTI limit.

Rates/Reservations/ Locking a Loan

Rates are posted on the website here: mmp.Maryland.gov/interestrates

They change to reflect the market; this can be daily or even more often. When the lender completes the reservation in the Maryland Mortgage Program Lender Online system, the rate is committed. The loan must be purchased by the master servicer within 105 days or the reservation will be canceled. If a reservation gets canceled, the borrower must wait six months before using the program.

Income, Loan and Purchase Limits (vary by county)

- Household income limit depends on size of household (includes everyone over 18).
- Liquid assets are limited to less than 20% of the purchase price (401K doesn’t count).

Income, loan and purchase limits are on the website here: mmp.maryland.gov/Lenders/income

Credit Score (FICO)

Minimum middle credit score of 640 (some products have higher minimums).

Lenders

Maryland Mortgage Program loans must be done through an approved MMP lender; there are more than 100 lenders. Lender information is posted on our website here: mmp.maryland.gov/FindLenders

**Partner Match Program**

We have employers, builders, and community organizations who have signed up to partner with MMP to help Maryland homebuyers using the 1st Time Advantage 5000 or the Flex 5000 loan product. Both products come with $5,000 in a zero percent deferred second loan to help with down payment and closing costs, and partner assistance can be matched up to $2,500. For more information, [mmp.Maryland.gov/Partnermatch](http://mmp.Maryland.gov/Partnermatch).

**Maryland HomeCredit Program**

The Maryland HomeCredit Program is no longer open for new mortgage credit certificates (MCC). If a Maryland homeowner has an existing MCC and is seeking to refinance, they can get the MCC re-issued. They will need to use a lender who is approved for the Maryland HomeCredit Program, and fees apply. For questions about this, email singlefamilyhousing.dhcd@maryland.gov.

**Maryland SmartBuy Program**

Maryland SmartBuy helps homebuyers with qualifying student debt purchase a home. The program works by paying off student debt during the purchase of your home through special Maryland Mortgage Program financing and rolling it into a five-year forgivable loan. For more information, [mmp.Maryland.gov/SmartBuy](http://mmp.Maryland.gov/SmartBuy).

Realtor Information

Utilizing the services of an experienced real estate professional can help borrowers with the homebuying process. Maryland REALTORS® (mdrealtor.org) provides training to licensed real estate agents in Maryland focusing on first time homebuyer programs, especially the Maryland Mortgage Program. Upon completion of this training, agents receive their Housing Opportunity Certification (HOC), and this means that they can provide homebuyers with up-to-date and useful guidance on using the Maryland Mortgage Program. You can locate agents in your area that have achieved this certification by visiting Maryland REALTORS®’s homebuyer website at marylandhomeownership.com, clicking on First Time Home Buyers, and selecting Find a REALTOR.

REALTOR FAQ:

- Household income limit depends on the size of the household (includes everyone over 18) and where the property is being purchased; see mmp.maryland.gov/Lenders/income
- Property must be “Owner Occupied” and may not be an investment property, second home or have non-occupant co-signers.
- Homebuyer Education is required prior to closing.
- Minimum middle credit score of 640 (some products have higher minimums).
- Liquid assets are limited to less than 20% of the purchase price (401K doesn’t count).
- New home construction (newer than one year) must be located in a Priority Funding Area. Mobile homes do not qualify and condominiums must be approved by the insurer (FHA/FNMA).
- Priority Funding Areas and Targeted Areas can be confirmed by using our online interactive mapping tool: mmp.Maryland.gov/maps
- MMP follows the FNMA "no-flip" policy
