Notification 2024-07

TO: ALL PARTICIPATING LENDERS

SUBJECT: SYSTEM OUTAGE

This Notification is to inform you that the Maryland Department of Housing and Community Development, which includes the Community Development Administration and the Maryland Mortgage Program, experienced a system outage today which also affected the posting of interest rates. The system has been restored and rates are now available. As always, the time stamp of the reservation determines which rate is in effect.

Notwithstanding the interruption experienced today, we remain committed to our standard review turn-times noted on the daily interest rate sheet and appreciate your patience in allowing us to clear the backlog. We regret any inconvenience caused to our partners.

As always, we appreciate your continued participation in our programs. If you have any questions concerning this Notification, please email singlefamilyhousing.dhcd@maryland.gov.

Thank you,
